Course Syllabus: Introduction to the Agile Principles and Mindset

We are glad you have joined us for this course! Here is some information that will help you to navigate your learning platform and locate course content.

Before the first live session please confirm that you can access Zoom:

- 1. Visit https://support.zoom.us and click on **Getting Started**.
- 2. The **Join** link is available 45 minutes prior to the start of each class. Please click the **Join** link and then **Download and Run Zoom**.

Course Information:

Introduction to the Agile Principles and Mindset

Target audience: anyone managing projects or operations.

Course description: This Bootcamp is about keeping up with the speed of change. The class will help you to set reasonable expectations, leverage lessons learned, deliver value, and accept goals as moving targets. We will discuss the characteristics of Agile Project Management, including incremental and iterative product delivery, adapting the plan, and using empirical data to evaluate project performance.

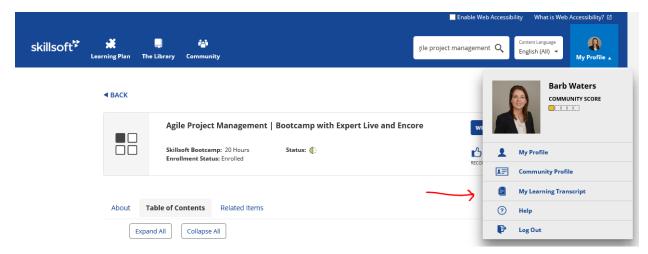

Requirements for course completion:

Complete the 3-hour Live Agile Bootcamp session.

Certificate of Completion:

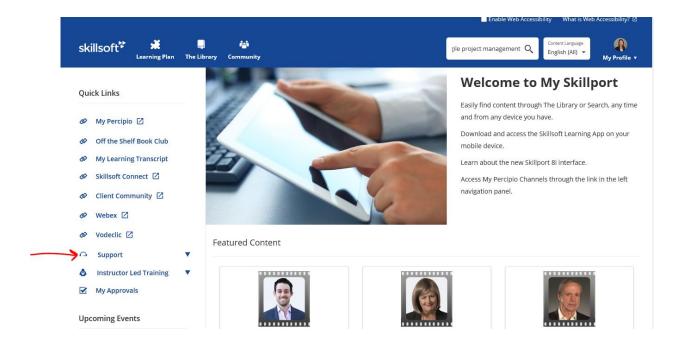

Please follow the steps below to obtain your certificate of completion:

- 1. Meet the completion requirement (complete the live 3-hour session).
- 2. Go to My Learning Transcript and download the Certificate of Completion.

Technical Support:

We offer 24/7 support in the event that you need assistance with your Skillport learning platform. To access support, click the Skillsoft logo in the upper left corner to navigate to the home page of Skillport. Then click on "Support".

Course Contact: Email the mentoring team at Skillsoft_Mentoring@skillsoft.com.

We look forward to seeing you in the classroom!
